Greetings Friends:

It is a pleasure to hand you our iris catalogue and we hope you find it interesting.

We wish to thank our customers for their patronage and the kind letters of approval they have sent us.

We believe there are no finer tall bearded iris plants than those grown in the Yakima Valley in Washington. Only the best are good enough. They are easier to grow than plants grown in less favorable surroundings.

EXPLANATION OF TERMS USED

Standards—Upright petals

Falls—Lower petals

Amoena—White or white tinted standards with dark falls

Variegata—Yellow or yellow toned standards with dark falls

Bicolor—An iris having two colors

Bitone—Two shades of the same color

Self—Standards and falls are the same color

Plicata—Stitched or stippled with dark color on lighter background

Texture—Sheen or finish of the petals

Substance—Thickness of the petals

AIS—American Iris Society

HM—Honorable Mention by AIS

AM—Award of merit by AIS

Dykes Medal—Highest award given by AIS

• Naturally award winning iris should be the best to buy

TERMS OF SALE

All plants are guaranteed true to name, disease free, of good blooming size and to reach you in good growing condition. If you are not well pleased with your plants when they arrive please notify us so adjustment can be made. If for any reason we cannot fill all your order your money will be promptly returned. We will not substitute without your permission but suggest that you name some acceptable substitutes in case some are sold out.

Shipment will begin about July 1st. in the order in which orders are received. Shipment will be by prepaid mail unless you ask for express shipment. Planting instructions included in each shipment.

If your order is less than \$3.00 please send 25c for postage.

Please include 3% sales tax if you are a resident of Washington.

Please remit by check, money order, or registered letter.

No C. O. Ds, please. They cost more.

The saving we make by getting out this inexpensive catalog enables us to make you this unusual iris offer.

50% More Iris For Your Money! Make Your Own Collections

All orders under \$5.00 are net catalog price. On orders of \$5.00 or more you may choose 50% more iris which we will send you free. Example—If your order is \$10.00 choose \$5.00 more in free iris. This is your free collection and applies to all plants except those marked with an*. There is not enough stock of these and only one will be sold to a customer.

Just list your order on our order blank and be sure it adds up to \$5.00 or more. Then list those you want free (50% of your order). We suggest that you name some acceptable substitutes as some will sell out early. The above must be strictly followed or we cannot send the free plants.

THE AMERICAN IRIS SOCIETY invites you to become a member. You will receive a big quarterly magazine containing information on iris culture, arrangement of plantings in gardens, color combinations, notes on interesting species, suggestions to hybridizers, historical and breeding records, registration and exhibition policies, annual lists of favorite varieties and award winners and news of iris activities everywhere.

Dues are \$3.50 per year. Mail check to us or direct to American Iris Society, 444 Chestnut Street, Nashville 10, Tennessee.

THE BEST BOOK available on irises is THE IRIS—AN IDEAL HARDY PERENNIAL. Written and published by experts of the American Iris Society, this new volume contains a wealth of information on selecting, planting and cultivating irises, plus suggestions on hybridizing, companion plantings, color harmony and related subjects. In permanent binding, \$2.50; paper cover, \$1.50, postpaid. Order from us or direct from the American Iris Society at the address given above.
